NOTES AND ORDERS

The Court takes defendants' motions to dismiss under submission and will issue an order. Dkt. No. 98 (*Emami*); Dkt. No. 120 (*Pars*).

The *Emami* and *Pars* plaintiffs are directed to file by August 1, 2019, a joint statement outlining their positions on consolidation. Any opposition to consolidation must be supported by a specific explanation of why it should not be done.

An omnibus discovery hearing is set for September 12, 2019, at 2:00 p.m. The parties are directed to meet and confer prior to that date in person unless that would require cross-country travel, and file a joint statement by September 5, 2019, at the latest. The statement should address:

1. What has been produced, what plaintiffs believe is missing, and for any additional discovery plaintiffs seek, why they believe they are entitled to such discovery; and
2. For the State Department's 6/6/2019 statistical report to Congress, what discovery plaintiffs wish to have to test the report.
